

# THE SPA AT THE CAVES

## WELCOME

Upon your arrival, enjoy a foot soak overlooking the ocean while your Caves Spa Therapist determines the best treatment, blends and technique once your personalized intake is complete.

Utilizing our local plants and oils from Jamaica and Aveda products, a signature treatment is created which includes the most innovative concepts, integrating ancient wisdom with modern science to create a full body recovery.

Through island essences and healing purposeful touch, you will reconnect with a natural state of harmony and peace that creates healthy skin, body and mind.

**Complimentary yoga classes are held Wednesday and Saturday mornings.**

## MASSAGE

### Sauna experience complimentary with your choice of body treatment

Our sauna experience is designed to warm and relax you prior to your customized body treatment. Increases circulation, and helps eliminate toxins from the body.
